MEASUREMENT AND PAYMENT:

All materials shall be loaded and weighed at the expense of the supplier in accordance with Section 1-09 of the 2016 Standard Specifications for Road, Bridge, and Municipal Construction. The unit contract price shall be per ton as hereafter indicated for each bid item. Payment shall be made upon receipt of invoice by the County Purchasing Agent for the actual quantity of material ordered, delivered, and accepted.

Yakima County will pay applicable Washington State Sales Tax due upon invoice for the supplier(s).

MATERIAL SPECIFICATIONS:

The 2016 Standard Specifications for Road, Bridge, and Municipal Construction as adopted by the Board of County Commissioners of Yakima County, Washington as Standard Specifications shall apply to all materials to be purchased under this material purchase.

MAXIMUM PRICE QUOTATIONS:

It is understood that the prices quoted shall be the prices paid during the life of the material purchase. However, should there be, at any time, a reduction in the general market prices of any of the articles in the material purchase below the general market prices in effect at date of bid opening, the prices contained herein shall be reduced accordingly, such reduction to continue as long as such decline is in effect.

DELIVERY:

Gravel Products, Hot Mix Asphalt Class 1/2" PG 64-28, and Hot Mix Asphalt Class 3/8" PG 64-28 shall be loaded into Yakima County trucks at the plant.

The supplier is required to have suitable loading equipment available each working day during working hours with a bucket size not less than 1-1/2 cubic yards.

ACCEPTANCE OF QUOTATIONS:

Prospective bidders may bid on any, or all of, the items.

All quotations or any parts thereof may be rejected or accepted by Yakima County.

Yakima County reserves the right to purchase any of the products quoted from the vendor of its choice based on the availability of the needed material and an estimate of lowest total costs to the County to purchase and haul the material to a project site as determined by the County Engineer.

In the event that the low supplier's production plant is not in operation at the time the material is needed, the County reserves the right to purchase material at the lowest cost available at that time, from any of the other vendors.
