4) Construction/Post-Construction Site Stormwater Management

- No discussion was conducted due to no activity needing to be reported.
- An awareness notice about water on the roadway within the City of Sunnyside was provided.

5) Pollution Prevention & Good Housekeeping

- No topics of discussion.

6) Ideas/Other

- Internal Coordination Mechanisms (ICMs) were discussed again in relation to annual report requirements for the Eastern Washington Phase II Municipal Stormwater Permit. Several formats were discussed.
- The City of Selah, Sunnyside, and Union Gap are required to produce their own ICM(s).
- A notice about Title 12.10 County Code going in front of the Board of County Commissioners (BOCC) on March 1st was provided.
- Still No Grant Agreement has been provided to Yakima County to support the Washington State Municipal Stormwater Conference; which is supposed to be host within Yakima County. Grant Agreement was initially supposed to be sent to Yakima County in November of 2015.

7) Next steps

- Next RSWG Meeting: **Union Gap, WA** (March 10, 2016).
