YAKIMA COUNTY
2014 ROAD SURFACE STABILIZATION PROGRAM
MATERIAL PURCHASE CONTRACT SPECIFICATIONS

BIDS TO BE OPENED: WEDNESDAY, JANUARY 29, 2014 AT 2:00 P.M.
YAKIMA COUNTY PUBLIC SERVICES DEPT.
128 NORTH 2ND STREET, 4TH FLOOR
YAKIMA, WASHINGTON 98901

The intent of this Call for Bids is to purchase a material for use as a surface stabilizing agent on various Yakima County roads in 2014. Bidders should be aware that the quantity is an estimate only, and may vary. The material is to be delivered, upon order by Yakima County to the following railroad siding location, (or alternate) and in the approximate total amount listed.

<table>
<thead>
<tr>
<th>Delivery Location</th>
<th>Quantity</th>

</thead>
<tbody>
<tr>
<td>Yakima, Washington</td>
<td>5,300 Tons</td>
</tr>
<tr>
<td>Sunnyside, Washington</td>
<td>1,620 Tons</td>
</tr>
</tbody>
</table>

The material quantity shown is for Magnesium Chloride. This material shall be applied at a rate of 0.40 gallons per square yard. If the proposed material requires significantly different application rates or methods, indicate the difference in sufficient detail to allow for an accurate analysis of the bids.

Yakima County reserves the right to make complete or partial award to any supplier, if in the best interest of Yakima County. Yakima County is exempt from all Federal Excise Tax.

PROPOSAL GUARANTY

A certified check, cashier’s check, cash or bid bond made payable to the Treasurer of the County of Yakima for an amount equal to at least five percent (5%) of the total bid amount must accompany each bid as evidence of good faith and as a guarantee that if awarded the Contract the Bidder shall execute the Contract. This bond will be held in reserve by Yakima County to act as a Performance Bond subsequent to the award and execution of a contract with successful bidder.

SCHEDULE OF OPERATIONS

The project will begin on or about the 27th of May 2014, and will be completed on or about the 13th of July 2014. Bidders should be aware that the project could be disrupted due to inclement weather or other conditions beyond the control of Yakima County.

MATERIAL SPECIFICATIONS

The material shall be labeled for use as a dust inhibitor. The bidder shall furnish a chemical analysis of material bid to demonstrate that this product would be capable of performing as a surface stabilization agent, similar to magnesium chloride. If a lignin sulfonate product is bid, the solids shall be 50% percent and lignin sulfonate shall not be less than 55%. If magnesium chloride is bid the total solids content of magnesium chloride must be greater than 30%.

Supplier shall also provide Material Safety Data Sheet (MSDS) for material to be supplied, prior to commencing supply.
MEASUREMENT AND PAYMENT

The unit contract price shall be per ton, F.O.B., at railroad sidings near Yakima, Washington and Sunnyside, Washington, and each load shall be weighed on certified scales. Certified Scale Tickets shall be the basis for measurement and payment.

METHOD OF DELIVERY

The material shall be shipped by railroad tank cars or shipped by tank truck and transferred into railroad tank cars to be located at the siding. If the second option is used, a minimum of six (6) 20,000-gallon railroad tank cars shall be provided, by the Supplier, for use as storage facility.

The unit contract price for the material shall include providing the railroad tank cars for the unloading and storage of the material, along with hose and fittings capable of connecting to a 3-inch cam-lock type coupler fitting. All costs associated with placing and removing the railroad tank cars, including any demurrage, shall be included in the unit bid price.

In order for this program to be completed within the desired time frame, a minimum of 500 tons of material shall be provided per day at the siding. This will require that the supplier(s) coordinate all shipments closely with Yakima County.
BID SHEET

Yakima County Public Services
128 North 2nd Street, 4th Floor
Yakima, Washington 98901

The undersigned hereby certifies that he/she has read the attached conditions and specifications for supplying the Magnesium Chloride as therein specified and desires to submit for your consideration the following bid price:
