ATTENTION: ALL BIDDERS AND PLAN HOLDERS

RE: SP 3504 – Terrace Heights Landfill – Transfer Station Fire Repair

ADDENDUM NO. 2

You are hereby notified that the plans and specifications for the above referenced project are amended as explained below.

1) Special Provisions, Page 39, Item 10-04.1 Remove and Replace Building Electrical System – the first sentence of the second bullet is revised from the Addendum 1 change of “Work shall remove and replace all building electrical system from the transfer station building electrical panel L-5 out. Panel L-5 is located at the lower bay floor level near the southwest corner.” to “Work shall remove and replace all of the Transfer Station building electrical system from the Transfer Station building back to the service panel except for the L-5 sub-panel and transformer and any underground conduit. The Transfer Station service panel is located in the adjacent support building. The sub-panel L-5 and transformer are located at the lower bay floor level near the southwest corner.” (The second sentence remains as is.)

A revised page is not provided as it is not deemed necessary.

All bidders shall be required to furnish the Yakima County Engineer with evidence of the receipt of this Addendum on the Proposal form in the Bid Documents. This Addendum shall be incorporated in and made a part of the contract when awarded and formally executed.

Gary N. Ekstedt, P.E.
County Engineer
