The Yakima County Superior Court Judges & Court Commissioners support the concept of a "Family Court Facilitator". The Family Court Facilitator is not an attorney, nor can they provide you with legal advice. The Court Facilitator can offer limited assistance in completing the necessary paperwork. All services are **provided by appointment only**.

The Court Facilitator is to be used for 'Family Law' matters -only. (Family Law matters are: Divorce / Dissolution of Marriage, Legal Separation, Child Custody and Paternity actions.)

The Yakima County Court Facilitator conducts an "Orientation To The Courts" class which many people find helpful. There is a fee to attend this class. For more information please contact the [Court Facilitator directly at \(509\) 574-2695](#).

Court Facilitator

At present the Court Facilitator is one person who works Monday through Fridays. The facilitator is very busy as many people are utilizing the resource. The Court Facilitator has an office which is separate from the Clerk's Office and Superior Court. All services are **provided by appointment only**.

The Family Court Facilitators office is located in the:
