

# Kids on the Block news

March 2007

Please attend a KOB training!

MARCH 17, 2007, 1-3 pm  
at Children's Village  
3801 Kern Road

Please come to a training on our new program, *Combating Obesity*. This program will greatly expand what we offer to the community, and I know it will complement our message of self-respect! We're also hoping that we can present this program to students with disabilities. Come learn these skits and have some GREEN fun with us - you'll be glad you did!

(green snacks served!)

Wear green!

RSVP (that means you need to let me know if you are planning to attend!)

joyclark@charter.net (I prefer email!)

or call me at 574-3260 (just leave a message)

## In like a Lion? We are off to a ROARING START!

We have worked hard this year, and so far we have delivered our message of respect for differences and persons with disabilities to **552** elementary students! **WOW!** Also, **thanks to puppeteer & recruiter Lacey England**, for presenting the KOB message to **250** students at Eisenhower HS!

## KOB Calendar

March 9

Nob Hill Elementary (3rd)
