Approval of the PY15 Request for Proposals: Christine Cote

Patrick shared that this past fall staff recommended the postponement of procurement until the new legislation. Since that time after talking to John Chamberlin and others, staff has decided that it would be best to move forward. There are currently two procurements going on. The first is for the Youth Program in Lower Yakima County and Upper Yakima/Kittitas Counties. The seconded is a comprehensive proposal for the Columbia Gorge including Youth, Dislocated Worker, Adult and WorkFirst programs.

The WIA programs will be allocating 80% in order to keep some funds back to cover all of the expenses such as business engagement and incumbent worker training.

The release date is May 5th. The due date is May 26 by 4:00 p.m. The contract period is July 1, 2015 – June 30-2016. There will be a Bidders Conference on May 12 at 1:30 p.m.

All proposals will be approved by the Board and the Consortium.
