BID DOCUMENTS*

Note: The Bidder shall print and complete all forms in the section titled "Bid Documents".

INSTRUCTIONS TO BIDDERS

DELIVERY OF PROPOSALS

The Bidder shall print and complete all forms in the section titled "Bid Documents".

Sealed bids will be received at the following location before the specified time:

Yakima County Courthouse Drop Box (inside the Courthouse entrance), 128 N. 2nd Street, Yakima, Washington 98901 until ~~2:00 p.m., Thursday, May 7, 2020~~ of the bid opening date.
2:00 p.m Tuesday, May 19, 2020 **A1 TV**

Due to the COVID-19 outbreak, the Yakima County Public Services office is closed to the public. The Contractor may submit the bid in-person at the Yakima County Courthouse Drop Box (inside the Courthouse entrance), 128 N 2nd Street, Yakima, WA 98901 from 1:00 p.m. to 2:00 p.m. on the bid opening date, or by contacting the Yakima County Project Engineer, Joe Stump at 509-574-2300 to make delivery arrangements. Alternatively, the Contractor may mail the bid package to this same address. The County makes no guarantee that bid packages submitted by mail will arrive prior to the bid deadline.

Each proposal, or bid shall be completely sealed in a separate package, addressed to the Engineer of Yakima County with the name of the improvements for which the bid is submitted plainly written on the outside of the package.

No oral, telephonic, facsimile, or telegraphic Bids or modifications shall be accepted.

DATE OF OPENING BIDS

The bid opening date for this project shall be ~~Thursday, May 7, 2020~~ **A1 TV**
2:00 p.m Tuesday, May 19, 2020

The proposals shall be delivered as noted in the section above. The bids shall be publicly read after 3:00 p.m.

Due to the COVID-19 outbreak, the proposals will be publicly read aloud at 3:00 p.m., by conference call only. Call Gray & Osborne, Inc. at (206) 284-0860 to join the conference call and ask for the "Yakima County Buena Bid Opening". Contractors will be given further instructions on how to join the conference line as they call in.

RIGHT TO REJECT BIDS:

The right is reserved to reject any and all proposals, to accept the proposal or proposals deemed best for the County or to advertise for new proposals when in the opinion of the Board the best interest of the County shall be promoted thereby.

PROPOSAL GUARANTY:

A certified check, cashiers check, cash or bid bond made payable to the Treasurer of the County of Yakima for an amount equal to at least five percent (5%) of the total amount bid must accompany each bid as evidence of good faith and as a guarantee that if awarded the Contract the bidder shall execute the Contract and give Bond as required.

FORM FURNISHED :

Each bid must be made on the form attached to these Specifications.

CIVIL RIGHTS:

Yakima County in accordance with Title VI of the Civil Rights Act of 1964, 78 Stat. 252, 42 U.S.C. 2000d to 2000-4 and Title 49, Code of Federal Regulations, Department of Transportation, subtitle A, Office of the Secretary, Part 21, nondiscrimination in federally assisted programs of the Department of Transportation issued pursuant to such Act, hereby notifies all bidders that it shall affirmatively insure that in any contract entered into pursuant to this advertisement, disadvantaged business enterprises shall be afforded full opportunity to submit bids in response to this invitation and shall not be discriminated against on the grounds of race, color or national origin in consideration for an award.

YAKIMA COUNTY IS AN EQUAL OPPORTUNITY EMPLOYER

PROPOSAL

This certifies that the undersigned has examined the location of the noted projects:

U4 3676, BUENA WWTF COATING

And that the Plans, Specifications and Contract governing the work embraced in these improvements, and the method by which payment will be made for said work, is understood. The undersigned hereby proposes to undertake and complete the work embraced in these improvements, or as much as can be completed with the money available, in accordance with the said Plans, Specifications, and Contract, and the following schedule of rates and prices.

This project includes a Base Bid and Alternative Bid Items. Contract award will be made on the basis of the Base Bid and Alternatives selected, if any. The County reserves the right to select any combination of Base Bid and Alternatives and to determine the successful bidder based on the amount of the bid resulting from Alternatives selected, if any. See Section 1-03 of the Special Provisions for details.

NOTE: Unit Prices for all items, all extensions, and total amount of bid shall be shown. No oral, telephonic, facsimile, or telegraphic Bids or modifications shall be considered or accepted.

BASE BID:

Item No.	Description	Approx. Quantity	Unit	Unit Price	Total Item Amount

LETTER OF RESPONSIBILITY

Date: 5/19/2020

County Road Project No.: U4 3676

TO:
BOARD OF COUNTY COMMISSIONERS OF YAKIMA COUNTY, WASHINGTON
(Party awarding principal contract)

Dear Sirs:

I hereby maintain that I am a responsible bidder as contemplated by the policies of the State of Washington (Chapter 157, Laws of Washington of 1937).

- a. My permanent place of business is Washington, which I have maintained for 17 years.
- b. I have adequate plant equipment to do expeditiously and properly the work contemplated for Yakima County, Washington.

DESCRIPTION OF WORK:

U4 3676, Buena WWTF Coating, Remove and Haul biosolids, prepare interior tank surface and apply coating system, repair concrete and rebar, replace sluice gates (Alternate Bid Item No. 1) or stem guides.

I have the following equipment available for this work:

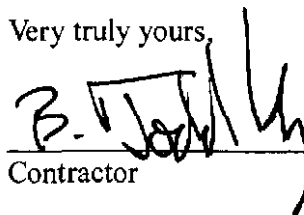

Forklift, Boom Truck, Excavator 308, Service Trucks, and Tool Trailers

- c. I have adequate funds to promptly meet obligations incident to this work.
Bank reference: US Bank (360) 746-5261

- d. I have had experience in this class of work, having constructed the following improvements.

I hereby certify that the above is a true and accurate statement.

Very truly yours,

Contractor

NOTE: This sheet need not be submitted, unless so requested by the Engineer subsequent to opening of bid. This "letter of responsibility" shall not be construed to be a request for prequalification of bidder.

DEFINITION OF TERMS

In interpreting these specifications, the following definitions shall prevail:

STATE: The State of Washington.

SECRETARY OF TRANSPORTATION: Secretary of Transportation of the State of Washington.

BOARD: The Board of County Commissioners of Yakima County.

ENGINEER: County, or construction engineer, or his duly authorized assistants by whom all explanations and directions necessary for the satisfactory prosecution and completion of the work described in these specifications will be given.

CONTRACTOR AND/OR SUPPLIER: The person, firm, co-partnership, or corporation, or any lawful agent of such person, firm, partnership or corporation constituting one of the principals to the contract and undertaking to perform the work herein specified.

CONTRACT: The Agreement between the Contractor and the County of Yakima acting through the Board of County Commissioners. The contract shall include the accepted "Proposal", "Plans", "Specifications" and "Contract Bond", also any and all supplemental agreements which reasonably could be required to complete the construction of the work in a substantial and acceptable manner.

PROPOSAL: The written offer, or copy thereof of the bidder to perform the work proposed.

PLANS: The officially approved drawings, or reproductions thereof attached to this contract.

SPECIFICATIONS: The directions, provisions and requirements contained herein, together with all written agreements made, or to be made pertaining to the method and manner of performing the work, or to the quantities and qualities of materials to be furnished under the contract.

CONTRACT BOND: The approved form of security furnished by the Contractor and his surety as a guarantee of good faith on the part of the Contractor to execute the work in accordance with the terms of the contract.

LABORATORY: The laboratories of the Department of Transportation, or other laboratories designated by the engineer.

AMOUNT OF THE CONTRACT: For the purpose of awarding the contract and determining the amount of the bond, the lump sum bid, or the summation of the products of the approximate quantities shown on the plans or otherwise stated by the unit prices will be considered the total amount of the bid and the full amount of the contract price.

Failure to return this Declaration as part of the bid proposal package will make the bid nonresponsive and ineligible for award.

NON-COLLUSION DECLARATION

I, by signing the proposal, hereby declare, under penalty of perjury under the laws of the United States that the following statements are true and correct:

1. That the undersigned person(s), firm, association or corporation has (have) not, either directly or indirectly, entered into any agreement, participated in any collusion, or otherwise taken any action in restraint of free competitive bidding in connection with the project for which this proposal is submitted.
2. That by signing the signature page of this proposal, I am deemed to have signed and have agreed to the provisions of this declaration.

NOTICE TO ALL BIDDERS

To report bid rigging activities call:

1-800-424-9071

The U. S. Department of Transportation (USDOT) operates the above toll-free "hotline" Monday through Friday, 8:00 a.m. to 5:00 p.m., eastern time. Anyone with knowledge of possible bid rigging, bidder collusion, or other fraudulent activities should use the "hotline" to report such activities.

The "hotline" is part of USDOT's continuing effort to identify and investigate highway construction contract fraud and abuse and is operated under the direction of the USDOT Inspector General. All information will be treated confidentially and caller anonymity will be respected.

**Certification Regarding
Debarment, Suspension, Ineligibility and Voluntary Exclusion
Lower Tier Covered Transactions**

This certification is required by the regulations implementing Executive Order 12549, Debarment and Suspension, 29 CFR Part 98, Section 98.510, Participant's responsibilities. The regulations were published as Part VII of the May 26, 1998 Federal Register (pages 19160-19211).

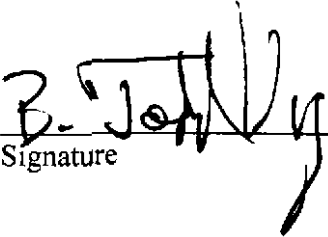

**(BEFORE COMPLETING CERTIFICATION, READ ATTACHED INSTRUCTIONS
WHICH ARE AN INTEGRAL PART OF THE CERTIFICATION)**

- (1) The prospective recipient of federal assistance funds certifies, by submission of this proposal, that neither it nor its principals are presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any federal department or agency.
- (2) Where the prospective recipient of federal assistance funds is unable to certify to any of the statements in this certification, such prospective participant shall attach an explanation to this proposal.

This certification is also applicable to violations to prevailing wage law (chapter 39.12 RCW), registration law (chapter 18.27 RCW), or industrial insurance law (chapter 51.48 RCW).

ATTACHMENT 3

CERTIFICATION OF NONSEGREGATED FACILITIES

(Applicable to federally assisted construction contracts and related subcontracts exceeding \$10,000 which are not exempt from the Equal Opportunity clause.)

The federally assisted construction contractor certifies that he does not maintain or provide for his employees any segregated facilities at any of his establishments, and that he does not permit his employees to perform their services at any location, under his control, where segregated facilities are maintained. The federally assisted construction contractor certified, further that he will not maintain or provide for his employees any segregated facilities at any of his establishments, and that he will not permit his employees to perform their services at any location, under his control, where segregated facilities are maintained. The federally assisted construction contractor agrees that a breach of this certification is a violation of the Equal Opportunity clause in this contract.

As used in this certification, the term "segregated facilities" means any waiting rooms, work area, rest rooms and wash rooms, restaurants and other eating areas, time clocks, locker rooms and other storage or dressing areas, parking lots, drinking fountains, recreation or entertainment areas, transportation, and housing facilities provided for employees which are segregated by explicit directive or area, in fact, segregated on the basis of race, creed, color, or national origin, because of habit, local custom, or otherwise. The federally assisted construction contractor agrees that (except where he has obtained identical certifications from proposed contractors for specific time periods) he will obtain identical certifications from proposed subcontractors prior to the award of subcontracts exceeding \$10,000 which are not exempt from the provisions of the Equal Opportunity clause, and that he will retain such, certification in this file.

WPTP C1-C2 Reservoir Modifications	\$1.35mil	King County 401 Fifth Ave, Seattle, WA 98104	2020	206-447-5503	Ryan Snider

This project included modifications to the piping orientation within the reservoir structure including the installation control valves, isolation valves and above-grade air gaps. The contract included installation of new piping into each reservoir, and temporary water connections for C1 and C2 service to the WPTP. Work also included new hatches, and modification to mechanical room entrances. Our electrical subcontract installed new controls, electrical and conduit for reservoir level monitoring equipment. The project access was through Discovery park. Award safety routed pedestrians and did miscellaneous trail improvements.

Generator & Electrical Improvements	\$400k	Alderwood W&WW Dist 43626 156 th St SW Lynnwood, WA 98087	2019	425-629-2942	Alan Youner
-------------------------------------	--------	--	------	--------------	-------------

Install a new 200 kW generator for emergency use and perform electrical upgrades at the Dist. Admin building. The work will include, removal of old generator and ATTS, grading, and concrete work for retaining walls and equipment pad installation of (3) electrical panels, upgrading the interior components of a fourth panel, and all necessary conduit.

Cougar Mountain 3 PS Upgrades	\$1.3Mil	City of Bellevue 450 th 110 th Ave NE Bellevue WA 98009	2019	206-505-3400	Ron Dorn
-------------------------------	----------	---	------	--------------	----------

This project consisted of replacement of the existing pump equipment and diesel driven fire pump with new pumps equipped with VFDs, new standby generator and subbase fuel storage tank, and replacement of the electrical equipment and electrical service. New outside bladder surge tank, new dehumidifier, and miscellaneous site improvements.

Seattle Pump Station Ventilation Upgrades	\$2.2mil	City of Seattle PO Box 34018 700 th Ave., Suite 4900 Seattle, WA 98124	2019	206-258-0127	Stan Sayenko
---	----------	--	------	--------------	--------------

This project consists of improving ventilation at up to twenty-eight (28) individual pump stations, which includes the following elements of work: seal off electrical/instrumentation conduits, install wetwell and modify drywell ventilation systems, including trenching, backfilling, pavement restoration as required,, install explosive gas detector instruments, seal internal doors and other penetrations, construct new access points at several pump stations, and lead based paint abatement.

Thornton Road Water Pump Station Upgrades	\$360k	City of Ferndale 2095 Main Street, PO Box 936, Ferndale, WA	2019	360-815-1508	Curt Schoenfelder
---	--------	--	------	--------------	-------------------

This project consists of upgrading the City of Ferndale's Thornton Road pump station. This project includes new radio telemetry equipment, new VFD starters for both 100 HP pumps, a new automatic transfer switch, power to connection to existing diesel generator set, site grading and surfacing work, a new entrance gate, new light fixtures, and other miscellaneous work.

WWTP UV Disinfection System Upgrades	\$1.7mil	City of Enumclaw 451 Semanski St S Enumclaw, WA 98022	2018	509-995-8425	Allison Esvelt
--------------------------------------	----------	---	------	--------------	----------------

This work is for upgrades to the city existing wastewater treatment plant. The Work includes: A new UV disinfection system and ancillary components, new loading platform and crane in sludge pumping building, new sludge holding tank

diffused aeration system and blower upgrade, and miscellaneous piping, valve, gate, and field instrumentation modifications.

Lakota Interim Digester Mixed Pumping	\$295k	Lakehaven W&S Dist 31627 1 st Ave S. Federal Way, WA 98003	2018	253-505-3400	Tom Giese
--	--------	---	------	--------------	-----------

This project consists of furnishing labor, materials, piping, and appurtenances necessary for installation of owner-furnished pumps and flow meters and replacement of existing temporary pump control panels to complete the Lakehaven Water & Sewer District Lakota Wastewater treatment Plant Interim Digester Pumped Mixing project.

Fulmer Well Field	\$670k	City of Auburn 25 West Main Street Auburn, WA 98001	2018	253-876-1980	Ingrid Guab
-------------------	--------	---	------	--------------	-------------

The work provides for the construction of project CP1107, Fulmer Well Field Improvement Project. The major items of work include re-equipment of Well 2 and Well 6 with variable speed submersible pumps, installing column pipe and associated pump controls, installing cathodic protection, installing new flowmeters, upgrades to disinfection system, and installing electrical and instrumentation for full operation of water production facility.

Fennel Creek Lift Station	\$1.8mil	City of Bonney Lake 19306 Bonney Lake Blvd. Bonney Lake, WA 98391	2017	253-604-6600	John Wright
---------------------------	----------	---	------	--------------	-------------

The Schedule A Fennel Creek force main extension is located in Old Sumner Buckley Highway and Veterans Memorial Drive East between 192 Avenue East and 400 feet west of Locust Avenue. Major items of work include 2,784 feet of 8-inch-diameter sanitary sewer force main, 470 feet of 8-inch-diameter sanitary sewer, one 66-foot-long cased crossing of 192nd Avenue East, three air vacuum relief valve assemblies, and road restoration. The Schedule B work includes the sewage lift station complete with two 35 horsepower submersible pumps and associated piping, electrical equipment, and controls. The site features include a 10-foot-diameter pre-cast concrete wet well with polypropylene liner, valve vault, meter vault, 125 kW standby generator with base-mounted tank, 150 SF CMU electrical building, pig port, two concrete sewer manholes, pad-mounted transformer, landscaping, fencing, concrete sidewalk and driveway, and asphalt.

Elliot West Sampling Instrumentation	\$830k	King County 401 Fifth Ave, 3rd Floor Seattle, WA 98104	2018	206-263-9309	Megumi Barberi
---	--------	--	------	--------------	----------------

Move Elliott West CSO treatment facility's final effluent and pre-dechlorination process monitoring and regulatory compliance sampling from a room that stores sodium bisulfite to a separate room at the Denny Regulator Station that will be constructed under this project.

WTP Chem Feed System Replacement	\$550k	Skagit PUD 1415 Freeway Drive, Mount Vernon, WA 98273	2017	360-848-4470	Sean Kanda
-------------------------------------	--------	---	------	--------------	------------

The District's Water Treatment Plant (WTP) Chemical Feed System Replacement Project consists of the removal and disposal of existing bulk chemical storage tank fill piping; chemical suction and discharge piping; chemical feed day tank and metering pump systems; and a polymer activation and metering pump system; and replacement of each with proposed piping, equipment, and appurtenances. Existing storage tank fill piping will be replaced for six (6) bulk chemicals. Existing chemical feed piping and equipment, including a polymer activation system, will be replaced for five (5) chemical feed systems. The project also includes associated proposed structural, electrical, and automatic control improvements. Storage tank fill piping replacement generally includes replacement of the existing fill station and the fill piping from the station to the existing tank inlet connections.

WWTP Aeration Upgrades	\$475k	Birch Bay Water & Sewer District	2017	360-371-7100	Rodney Langer
------------------------	--------	-------------------------------------	------	--------------	---------------

7096 Point Whitehorn Rd
Blaine, WA 98230

The project includes completion of aeration system upgrades to two existing wastewater treatment aeration basins. The work includes removal of existing equipment, installation of three Owner-provided replacement blowers in an adjacent existing building, installation of Owner-provided diffuser equipment in the aeration basins, provision and installation of aeration air piping and appurtenances above and below-grade, installation of Owner-provided electrical equipment, provision and installation of electrical equipment, conduit and conductors, and appurtenances, and related supporting work.

Lift Station No. 17 Rehabilitation	\$250k	Ronald Wastewater District 17505 Linden Ave North Shoreline, WA 98133	2016	206-546-2494	Scott Christensen
---------------------------------------	--------	--	------	--------------	-------------------

Work includes removal of sewage in existing 4in piping between bathroom and existing wet well, removal of sewage in both force mains and cleaning, removal of existing valve piping, fittings, pumps, and appurtenances, cleaning and recoating of vaults and wet wells, installation of valves, piping, and appurtenances, slip lining existing 4in force main with 1.5in HDPE with casing spacers, removal of electrical, power, and control panel, installation of alarm interface panel, grinder pumps, and electrical, and site restoration.

WWTF Chlorination & Headworks Screening Upgrades	\$670k	City of Lynnwood PO Box 5008 Lynnwood, WA 98046	2016	425-670-5224	Brian Delp
--	--------	---	------	--------------	------------

The project consists of removal and replacement of the existing pressurized and vacuum chlorine gas feed system piping and components from ton containers to just upstream of the existing injector panel; installation of a vacuum switch for an existing chlorine gas feed system for existing odor control scrubbers; removal and replacement of the existing sodium bisulfite metering pump and enclosure; removal and replacement of the existing primary channel screen, sluice trough, and washer/compactor at the Headworks; and electrical improvements to existing air compressors. The project includes all associated structural, electrical, and automatic control modifications and upgrades.

Post Point Scum Concentrator Replacement	\$665k	City of Bellingham 2221 Pacific St Bellingham, WA 98229	2016	360-778-7885	Mark Schorr
---	--------	---	------	--------------	-------------

The overall project will consist of the installation of a scum concentrator, thickened scum pump, and associated appurtenances. Demolition shall include removal of the existing scum concentrator equipment, piping, and appurtenances.

Factoria Reservoir Coating Repair & Overflow Modifications	\$130k	City of Bellevue P.O. Box 90012 Bellevue, WA 98009	2015	425-452-4320	William Reynolds
--	--------	--	------	--------------	------------------

Repair of failing areas of the steel tank coating system, incl. surface preparations and application of a 3-part polyurethane coating system. Modification of a 48" Diam catch basin on an existing storm drain pipe, and installation of approx. 76 LF of 12" DI pipe from the tank's buried overflow pipe to the new manhole, incl. misc. fittings, excavation, backfill and surface restoration. The majority of the work will be on a slope of approx. 25%. Installation of approx. 410 LF of caulking between the steel tank floor flange and the concrete foundation.

Bryant Well #3	\$315k	City of Stanwood 10220 270 th St NW Stanwood, WA 98292	2015	425-508-7829	Dan Burwell
----------------	--------	---	------	--------------	-------------

The Bryant Well No. 3 project consists of equipping the existing well with a submersible turbine pump and motor; installing buried and above grade piping systems to connect the well to the existing Bryant Well Treatment Plant (Treatment Plant); replacing the existing chemical injection static mixer within the Treatment Plant; improvements to

the existing site perimeter fence; installing a ductless heat pump system; and associated site, electrical, and control improvements.

Pump Station Rehab And Coatings	\$2mil	City of Fife 5411 23 rd St E Fife, WA 98424	2015	253-255-4456	Bruce Gravette, PE
------------------------------------	--------	--	------	--------------	--------------------

PS-10 Install Vaults and Conduit for 460V power. Install Temporary Bypass, install water system isolation valves and other improvements to protect water main, install shoring, remove and replace pumps, remove polyurea coating in wet wells, seal leaks, prepare surfaces, apply new coating, install mixing and aeration system for odor control, replace 20" flow meter, install 36" CIPP lines.

PS-10 Rehabilitation/PS-5 & PS-6 Wet Well Coating	\$2 mil	City of Fife 5411 23 rd St E Fife, WA 98424	2015	206-883-938	Bruce Gravette
--	---------	--	------	-------------	----------------

PS-10 Install Vaults and Conduit for 460V power. Install Temporary Bypass, install water system isolation valves and other improvements to protect water main, install shoring, remove and replace pumps, remove polyurea coating in wet wells, seal leaks, prepare surfaces, apply new coating, install mixing and aeration system for odor control, replace 20" flow meter, install 36" CIPP lines.

Headworks Replacement	\$1.8 Mill	Birch Bay W&S Dist 7096 Point Whitehorn Rd. Blaine, WA 98230	2014	360-371-7100	Dan Eisses
-----------------------	------------	--	------	--------------	------------

Demolition, clearing, removal of asphalt, concrete, mechanical and electrical equipment. Furnishing and installation of CMU headworks building of approximately 1625 square feet, including piping, fittings, valves, and appurtenances, including connection to the headworks influent box and existing process water, in-plant force main, decant, influent force mains and grit channel effluent piping. Furnishing and installation of screening, sampling, grit removal and grit conveyance equipment and appurtenances. Furnishing and installation of electrical power, control and telemetry equipment. Furnishing and installation of domestic water supply, water heater, utility sink, and emergency eyewash and shower. Furnishing and installation of storm drain piping, catch basins and appurtenances. BID BOND

Conforms with The American Institute of Architects, A.I.A. Document No. A-310

KNOW ALL BY THESE PRESENTS, That we, Award Construction, Inc.

_____ us Principal, hereinafter called the Principal,

and the Western Surety Company,

of Seattle, WA, a corporation duly organized under

the laws of the State of South Dakota, as Surety, hereinafter called the Surety, are held and firmly bound unto

Yakima County as Obligee, hereinafter called the Obligee,

in the sum of Five Percent (5%) of Bid Amount

Dollars (\$ Five Percent (5%) of Bid Amount), for the payment of which sum well and truly to be made, the said Principal and the said Surety, bind ourselves, our heirs, executors, administrators, successors and assigns, jointly and severally, firmly by these presents.

WHEREAS, the Principal has submitted a bid for Buena WWTF Coating, Yakima County Public Services Project U4 3676

NOW, THEREFORE, if the Obligee shall accept the bid of the Principal and the Principal shall enter into a Contract with the Obligee in accordance with the terms of such bid, and give such bond or bonds as may be specified in the bidding or Contract Documents with good and sufficient surety for the faithful performance of such Contract and for the prompt payment of labor and material furnished in the prosecution thereof, or in the event of the failure of the Principal to enter such Contract and give such bond or bonds, if the Principal shall pay to the Obligee the difference not to exceed the penalty hereof between the amount specified in said bid and such larger amount for which the Obligee may in good faith contract with another party to perform the Work covered by said bid, then this obligation shall be null and void, otherwise to remain in full force and effect.

CONTRACT

THIS AGREEMENT is made and entered into between Yakima County acting under and by virtue of Titles 36 and 39 RCW, hereinafter called the "COUNTY" and Award, hereinafter called the "CONTRACTOR".
Construction, Inc.

That in consideration of the terms and conditions contained herein and attached and made a part of this agreement, the parties hereto covenant and agree as follows:

- I. The CONTRACTOR shall do all work and furnish all tools and equipment for U4 3676, Buena WWTF Coating, and shall perform any changes in the work in accordance with the Contract Documents, which include the Contract Form, Bidder's completed Proposal Form, Scope of Work, Contract Plans, Contract Provisions, WSDOT 2020 Standard Specifications, Standard Specifications, Standard Plans, Addenda, various certifications and affidavits, supplemental agreements, and any change orders—all of which are incorporated by reference and made a part of this agreement. In the event of any conflict between terms or provisions contained in the following with those provided in the incorporated documents, the explicit provisions contained here shall control over those provided in incorporated documents.
- II. The CONTRACTOR shall provide and bear the expense of all equipment, material and labor of any sort whatsoever that may be required for the transfer of materials and for constructing and completing the work provided for in the Contract Documents except those items mentioned therein to be furnished by Yakima County.
- III. The COUNTY hereby promises and agrees to pay the CONTRACTOR according to the conditions stated in the Contract Documents.
- IV. The CONTRACTOR for itself, and for its heirs, executors, administrators, successors and assigns does hereby agree to the full performance of all the covenants herein contained upon the part of the CONTRACTOR.
- V. It is further provided that no liability shall attach to the COUNTY by reason of entering into this Contract, except as expressly provided herein.
- VI. The parties agree that, for the purpose of this agreement, the CONTRACTOR is an independent contractor and neither the CONTRACTOR nor any employee of the CONTRACTOR is an employee of the COUNTY. Neither the CONTRACTOR nor any employee of the CONTRACTOR is entitled to any benefits that the COUNTY provides its employees. The CONTRACTOR is solely responsible for payment of any statutory workers compensation or employer's liability insurance as required by state law.
- VII. If any provision of this Agreement or any provision of any document incorporated by reference shall be held invalid, such invalidity shall not affect the other provisions of this Agreement, which can be given effect without the invalid provision if such remainder conforms to the requirements of applicable law and the fundamental purpose of this agreement, and to this end the provisions of this Agreement are declared to be severable.
- VIII. In the event that either party shall be required to bring any action to enforce any of the provisions of this Agreement, or shall be required to defend any action brought by the other party with respect to this Agreement, and in the further event that one party shall prevail in such action, the losing party shall, in addition to all other payments required therein, pay all of the prevailing party's actual costs in connection with such action, including such sums as the court or courts may adjudge reasonable as attorneys' fees in the trial court and in any appellate courts.

IN WITNESS WHEREOF, the CONTRACTOR has executed this instrument on the date indicated below and Yakima County has caused this instrument to be executed in the name of said COUNTY by and through the Board of Yakima County Commissioners on the date indicated below

Authorizing By-Law

ADOPTED BY THE SHAREHOLDERS OF WESTERN SURETY COMPANY

This Power of Attorney is made and executed pursuant to and by authority of the following By-Law duly adopted by the shareholders of the Company.

Section 7. All bonds, policies, undertakings, Powers of Attorney, or other obligations of the corporation shall be executed in the corporate name of the Company by the President, Secretary, and Assistant Secretary, Treasurer, or any Vice President, or by such other officers as the Board of Directors may authorize. The President, any Vice President, Secretary, any Assistant Secretary, or the Treasurer may appoint Attorneys in Fact or agents who shall have authority to issue bonds, policies, or undertakings in the name of the Company. The corporate seal is not necessary for the validity of any bonds, policies, undertakings, Powers of Attorney or other obligations of the corporation. The signature of any such officer and the corporate seal may be printed by facsimile.

PERFORMANCE BOND

(RCW 39.08)

KNOW ALL MEN BY THESE PRESENTS, That Award Construction, Inc., as "PRINCIPAL", and Western Surety Company, a corporation authorized to do business in the State of Washington, as "SURETY", are jointly and severally held and bound unto Yakima County, Washington in the penal sum Four Hundred Forty-three Thousand Nine Hundred Thirty-four and 00/100s Dollars (\$ 443,934.00) for the payment of which by these presents we jointly and severally bind ourselves, our heirs, executors, administrators, assigns, and successors.

THE CONDITION of this bond is such that WHEREAS, on _____, 2020, the PRINCIPAL executed a certain Contract with the County, by the terms of which PRINCIPAL agrees to furnish all material and labor and will undertake and complete the construction of U4 3676, Buena WWTF Coating according to the maps, plans and specifications made a part of said Contract, which Contract is attached hereto and by this reference is incorporated herein and made a part hereof. FURTHER, the SURETY agrees to be bound by the laws of the State of Washington and subjected to the jurisdiction of the State of Washington.

NOW, THEREFORE, if the PRINCIPAL shall faithfully perform all the provisions of such contract and pay all laborers, mechanics, subcontractors and materialmen, and all persons who supply such persons or subcontractors with provisions or supplies for the carrying on of such work, then this obligation to be void, otherwise to remain in full force and effect.

Dated this 29th day of May, 2020.
