Material which the Contractor uses to perform this Agreement but is not created for or paid for by the County is owned by the Contractor or such other party as determined by Copyright Law and/or Contractor's internal policies. Contractor hereby grants the County a perpetual license to use this material for County internal purposes at no charge to the County, provided that such license shall be limited to the extent which the Contractor has a right to grant such a license.

20. **Responsibility:** Each party to this Contract shall be responsible for the negligence of its officers, employees, and agents in the performance of this Contract to the extent allowed by law. 21. **Severability:** The provisions of this Contract are severable. If any court holds any provision of this Contract, including any provision of any document incorporated by reference, invalid, that invalidity shall not affect the other provisions this Contract.
22. **Subcontracting:** The Contractor may not subcontract the services to be provided under this Contract, unless requested and approved in writing by the Director of the Human Services Department or his assigns or unless otherwise specified in this Contract. If the County, the Contractor, and a subrecipient of the Contractor are found by a jury or trier of fact to be jointly and severally liable for personal injury damages arising from any act or omission from the contract, then the County shall be responsible for its proportionate share, and the Contractor shall be responsible for its proportionate share. Should the subrecipient be unable to satisfy its joint and several liability, the County and the Contractor shall share in the subrecipient's unsatisfied proportionate share in direct proportion to the respective percentage of their fault as found by the jury or trier of fact, to the extent allowed by law. Nothing in this term shall be construed as creating a right or remedy of any kind or nature in any person or party other than the County and the Contractor. This term shall not apply in the event of a settlement by either the County or the Contractor.
23. **Reporting Requirements:** The Contractor shall be responsible for providing reports to the County on a regular basis throughout the term of this Contract. Such reports shall include, but not be limited to, performance measures and outcomes identified in Exhibit A.
- The County may require monthly reports; however, in such cases, the County shall provide the Contractor with at least 45 days' notice prior to the commencement of monthly reporting. The County has the right to monitor and audit the finances of the Contractor to ensure actual expenditures remain consistent with the spirit and intent of this Agreement. The County designee may inspect and audit all records and other materials and the Contractor shall make such available upon request.
25. **Internal Auditing Controls:** The Contractor shall establish and maintain a system of internal accounting control which complies with applicable Generally Accepted Accounting Principles (GAAP). All Contractor records with respect to any matters covered by this Agreement shall

be made available to the County, or other authorized officials, at any time during normal business hours, as often as deemed necessary, to audit, examine, and make excerpts or transcripts of all relevant data.

The Contractor must send a copy of its audit report, corrective action plan for any audit finding(s), and Management Letter to the County's Contract Representative, designated on the Face Sheet of this Agreement within the earlier of thirty (30) days after receipt of the auditor's report, or no later than nine (9) months after the end of the audit period. Corrective action plans are to be submitted for all findings and Management Letters, not only those related to funding received from the County. The annual audit must include a management letter that addresses the adequacy of internal controls within the organization.

If this Agreement is funded by Federal sources as identified on the FACE SHEET, the Contractor shall comply with Federal audit requirements for agencies who expend in excess of \$750,000 of federal funds. The County reserves the right to require special procedures which are more limited in scope than a full audit for those agencies expending less than \$750,000 in federal funds.

The Contractor that expends less than \$750,000 in a fiscal year in federal funds from all sources shall submit a copy of the Contractor's most recent Audited Financial Statement to the County's Contract Representative, designated on the Face Sheet of this Agreement. The Contractor that does not receive a financial audit shall submit financial statements within ninety (90) calendar days of Contractor's fiscal year end to the County's Contract Representative by mail.

The Contractor is responsible for any audit expenses incurred by its own organization or that of its Subcontractors and the County reserves the right to recover from the Contractor all disallowed costs resulting from the audit.

Failure of the Contractor to comply with the audit requirements will constitute a violation of this Agreement and may result in the withholding of future payments.

Surviving terms include, but are not limited to Confidentiality, Disputes, Inspection, Maintenance of Records, Ownership of Material, Responsibility, Termination for Default, Termination Procedure, and Title to Property.

The termination shall be effective on the date specified in the notice of termination.
28. **Alternative use of Funding:** Yakima County at its sole discretion may choose to provide alternative funding sources to continue this contract if the original funds which the County relied to establish this Contract are withdrawn, reduced, or limited, or if additional or modified conditions are placed on such funding. Such decision to use alternative funding sources shall not abrogate Yakima County's right to terminate this contract under the

provisions set forth in item 30 above, and such decision to provide and/or continue such alternative funding shall be at the sole discretion of Yakima County and the contractor agrees to hold Yakima County harmless for such decision.

29. **Suspension or Termination:** The County may suspend or terminate this Agreement if the Contractor materially fails to comply with any terms or this Agreement, which included but are not limited to the following:

 - E. Contractor's suspension, debarment, insolvency, or other actions of Contractor or Subcontractor(s) deemed to materially undermine the intent of providing services under the agreement between the parties.

If the Contractor fails to meet any obligation under this agreement the Contractor shall have thirty (30) calendar days from the date of written notice from Yakima County to remedy such deficiencies. If the Contractor fails to provide the required items within the 30-day period, the Agreement will automatically enter suspension status, during which Yakima County reserves the right to terminate the Agreement at any time;

During suspension status, Yakima County is under no obligation to release funds or provide resources under this Agreement.

Either party may terminate this Agreement by providing thirty (30) calendar days written notice sent by certified mail to the addresses listed on the Face Sheet.

If this Agreement is terminated for any reason, County shall pay only for performance rendered or costs incurred in accordance with the terms of this Agreement and prior to the effective date of termination.

The County reserves the right to terminate the contract immediately effective upon receipt of written notice to Contractor for any alleged material breach of the contract which may include alleged violations of Washington or Federal Law, and/or any other violation of the terms of this agreement that would materially frustrate the purpose of this contract and/or subject Yakima County to potential financial and/or tort liability.

30. **Waiver:** Waiver of any breach or default on any occasion shall not be deemed a waiver of any subsequent breach or default. Any waiver shall not be construed to be a modification of the terms and conditions of this Contract unless amended as set forth in Section 2,

Amendment. Only the Director or designee has the authority to waive any term or condition of this Contract on behalf of the County.

31. **Notices:** Any demand, request or notice which either party desires or may be required to make or deliver to the other shall be in writing and shall be deemed delivered when personally delivered, or when delivered by private courier service (such as Federal Express), or three days after being deposited in the United States mail, in registered or certified format, return receipt requested, addressed to the representatives as identified on the Face Sheet of this agreement.
