The County of Yakima, Washington, hereinafter referred to as "County", receives funds from the U.S. Department of Housing Urban Development (HUD) to administer the Lead Hazard Control Grant Program. The program assists low and moderate-income home-owners and land lords, who meet qualifications for the lead hazard control work deferred loan program. This program will offer a deferred loan to qualifying homeowners and landlords at zero (0) % interest whose income is less than 80% of the County median, per HUD guidelines and as confirmed by the County. The funds are to be used to abate or provide lead interim controls to eligible homes under this lead hazard control deferred loan program. Participating homeowners and landlords must live or rent to income eligible families with children aged six years old or younger for 36 months after the date of project completion. If the program requirements have been meet, the loan will be forgiven.

The terms of this Affordable Housing Restriction, are as follows:

The purpose of this Agreement is to ensure that the Premises will be retained for occupancy by families whose incomes fall within the guidelines as outlined by Section 217 of Public Law 104-134 amended Section of 1011 of the Residential Lead-Based Paint Hazard Reduction Act of 1992 (Title X). Such guidelines read as follows:
 - A. For loan made to assist rental housing, at least 50% of the units must be occupied by or made available to families with incomes at or below 60% of the area median income (AMI) level and the remaining units shall be occupied or made available to families with incomes at or below 80% of the area median income level; except that buildings with five or more units may have 20% of the units occupied by families whose income exceeds 80% AMI; and in all cases the landlord shall give priority in renting units assisted under this section, for not less than 36 months following the completion of lead abatement activities, to families with a child under the age of six years.
 - B. For loans made to assist housing owned by owner-occupants, all units assisted under this section shall be the principal residence of families with income at or below 80% of the AMI level; for not less than 36 months following the completion of lead abatement activities.

10. The rights hereby granted shall include the right of Grantee to enforce this Affordable Housing Restriction by appropriate legal proceedings and to obtain injunctive and other equitable relief against any violations, including without limitation relief requiring restoration of the Premises to its condition prior to any such violation (it being agreed that the Grantee will have no adequate remedy at law), and shall be in addition to, and not in limitation of, any other rights and remedies available to the Grantee. Grantor covenants and agrees to reimburse Grantee all reasonable costs and expenses (including without limitation reasonable counsel fees) incurred in enforcing this Affordable Housing Restriction or in taking reasonable measures to cure any violation hereof, provided that a violation of this Affordable Housing Restriction is acknowledged by Grantor or determined by a court of competent jurisdiction to have occurred. By its acceptance of this Affordable Housing Restriction, Grantee does not undertake any liability or obligation relating to the condition of the Premises. If any provision of this Affordable Housing Restriction shall to any extent be held invalid, the remainder shall not be affected.
11. The Grantee is authorized to record or file any notices or instruments appropriate to assuring the enforceability of this Affordable Housing Restriction; and the Grantor on behalf of itself and its successors and assigns appoints the Grantee its attorney-in-fact to execute, acknowledge and deliver any such instruments on its behalf. Without limiting the foregoing, the Grantor and its successors and assigns agrees to execute any such instruments upon request. The benefits of this Affordable Housing Restriction shall be in gross and shall be assignable by the Grantee. The Grantor and the Grantee intend that the restrictions arising hereunder take effect upon the date hereof, and to the extent enforceability by any person ever depends upon the approval of governmental officials, such approval when given shall relate back to the date hereof regardless of the date of actual approval or the date of filing or recording of any instrument evidencing such approval.
12. This Affordable Housing Restriction may not be amended, nor may any obligation hereunder be waived or released, without first obtaining the written consent of the Grantee, which consent shall not be unreasonably withheld or delayed.
