Describe Fiscal Impact:

Road Maintenance Budgeted \$1.75M Seal Coat program. Maintenance budget line item 213 Seal Coat. Approx. \$1Mil.

Background Information:

BST has been a preventative maintenance technique used by Yakima County and most municipalities as a BMP to mitigate costly repair projects by adding longevity to our investment in paved surfaces. The BST program provides increased texture to the road surface assisting in public safety when slick conditions are present. This increase surface friction assists in reducing accidents when small amounts of frozen precipitation are on the
