12. REGULAR AGENDA

A. Resolution 11-2026

Authorizing the Public Services Solid Waste Division to Round Cash Disposal Transactions to the Nearest \$0.05.

Fiscal Impact: \$0

Public Services Director David Haws explained that the federal government stopped minting pennies at beginning of 2026. Public Services Solid Waste Division has a large volume of cash transactions and is thus starting to run low on pennies. Many landfills (and other businesses) have started rounding to nearest \$0.05 on cash transactions only, which is what David proposes in this resolution.

Commissioner McKinney observed that this change will help the federal government become more frugal, as the penny costs more to produce than it is worth. Commissioners Linde and Curtis concurred that David's solution can also be reassessed in the future if/when a more comprehensive County policy is proposed.

Commissioner McKinney MOTION: To Approve Resolution 11-2026

Commissioner Curtis SECOND

Motion Passes Unanimously.

13. BUDGET DISCUSSION (30 Minutes) - Brian Carlson, Financial Services Director

Brian began his presentation by reviewing the 2026 Budget Mission Statement and introducing the Financial Planning Mission Statement: "To ensure adequate and sustainable resourcing of mandated services as identified in statutes, and strategic priorities as identified by the BOCC." He then reviewed the Triage List for the Financial and Strategic Plans, outlining topics and tasks for 2025 and 2026. The Commissioners confirmed their agreement with Brian's list, as well as adding the next round of union contracts. Brian acknowledged that although the list does include steps toward self-insurance, the Board is still exploring this topic and has not yet made a final decision.

Next, Brian discussed financial planning tactics. A variety of venues will be harnessed, including the BOCC, the Budget Elect Team (potentially with a new format/focus), directors, the Law & Justice Committee, and department "families". Regarding Commissioner engagement specifically, the Board agreed to have financial updates during agenda meetings as needed for guidance and decision-making, rather than weekly. Outside of this, individual Commissioners will coordinate with Brian and other groups on their own selected topics before eventually bringing them back to the full Board. The Board also discussed Brian's financial planning themes, including multi-year financial planning, urgent coordinated action, harmonization of all plans, "must/not-must", best practices, lifecycle costs, "bring something", "it all goes together", and "the algorithm". The Commissioners agreed that their preference is to get buy-in from all departments in this financial planning work, in order to avoid having to utilize "the algorithm" – prorated cuts across all departments.

Finally, Brian confirmed that he will add a resolution to the January 20th Agenda resetting the investment officers in order to allow for interest sweep in select funds. In response to Commissioner Curtis' question, he added that he plans to have financial planning policies ready to present by mid-February. The Commissioners also discussed possible methods to clarify to the public which budget tactics are being discussed, explored, or fully approved and implemented. This could take the form of a bullet-point summary of topics that were discussed vs. decided.

14. NEW BUSINESS

Commissioner Curtis noted that the meeting minutes listed in the official agenda posted for the public online had not been read into the record as part of today's slide deck.

Commissioner Curtis MOTION: To Approve Meeting Minutes from December 11th, 15th, 16th, and 22nd
