SECTION X: PUBLIC HEARING RULES

10.3 - Rules of Order

a. All persons speaking to the Planning Commission shall stand, approach the rostrum and microphone, if provided, and identify themselves by name, address and whom they represent.

b. Testimony shall be kept factual and on the subject of the hearing. The Chair is charged with the responsibility of discouraging and stopping irrelevant, unnecessarily long, repetitive, or abusive testimony, and at the onset may limit the length of testimony. Time permitting, an opportunity will be provided for additional public comment from previous speakers after everyone who so desires has had an opportunity to testify.

c. All comments shall be directed to the Chair, and interruptions, demonstrations, applause or other distractions during or at the conclusion of anyone’s testimony are not permitted. Anyone making “out of order” comments shall be subject to removal from the meeting, and the Chair may call a recess in, or adjourn, the meeting in the event of excessive disruption.

d. Speakers shall not question one another. Instead, questions from Speakers shall be addressed to the Chair. Upon request of a majority of Planning Commission members present, the Chair may allow direct questioning of an expert witness who has previously testified on behalf of an opponent or proponent, or on other business before the Commission.

e. If written statements are made, a copy shall be presented to the Planning Commission and to the Secretary.
