## PROPOSITION

### Union Gap School District No. 2

### General Obligation Bonds \$530,000.00

Shall the district construct and equip a building with a gymnasium-type multi-purpose room and facilities for a vocational education department on the existing junior high school site, rebuild and modernize the present elementary school to meet state standards, and cover the Schanno Irrigation Ditch where it crosses school property and issue \$530,000.00 of its general obligation bonds maturing serially in 20 years from date, payable both principal and interest out of unlimited annual property taxes as provided in district Resolution No. 1?
