

## PROPOSITION

Authorize the Board of County Commissioners of Yakima County, Washington, at the time of making the next levy for the taxation purposes to place a special levy of two mills in excess of the tax limitation contained in the state 40 Mill Tax Levy Limitation Law as contained in Article 7, Section 2 (Amendment 17) of the Washington State Constitution and Chapter 175 of the Washington State Session Laws of 1953, against all of the taxable property within Yakima County Fire Protection District No. 9 of Yakima County, Washington, for the purpose of raising an additional sum of approximately \$1,800.00, to be used for general operating expenses and for the purchase of additional fire fighting equipment, and to authorize the Board of Commissioners of said Fire Protection District in their discretion to immediately incur an indebtedness against said District for not in excess of said sum for said purposes by the issuance of warrants against the proper funds of said District.
