Train-the-Trainer

August 26, 2019

9am-3pm

Yakima Health District

Start Now Is a learning group for students with developmental disabilities, intellectual disabilities and their families to prepare for future employment.

Yakima Health District will be hosting a Start Now "Train the Trainer". Are you a parent, teacher, service provider or individual with a disability? We need YOU to help make this happen. Not sure you have what it takes? Come anyway and learn about this program and how you can help bring it to your county.

Please join us on August 26th for this **FREE** training.

Pre-registration is required
