

In partnership with the Yakima Health
District and WE Schools

WE Are Yakima - Health Grant

Winners 2018-2019

Positive Peeps

Selah Middle School, Ms.
Quincy's 8th Grade, Drama
Club

Their service project was to raise awareness on mental health and self care issues in their school. The group purchased items with positive messages to be sold during lunch to be given to students who could use some words of affirmation. The goal was to build create a positive & caring school environment through building new connections.

Character Buddies, Selah Middle School, Ms. Leighton's 8th Grade Advisory Class

Students at Selah Middle School teamed up with 1st and 2nd grade classes at John Campbell Elementary School to teach them about kindness. They created lesson plans and purchased bookmarks with positive messages to award to students who participated.

WE Are Yakima - Health Grant

Winners 2018-2019

Snack Smart Garden

Wapato Middle School, ASB/Leadership & Horticulture Class

Students at Wapato Middle School built a vertical garden on their campus to encourage students to choose nutritious, fresh, whole snacks. The goal of the project for students to grab a snack to go or take home to add to family meals. To take their project even further they will be creating and setting up a serenity garden in the same area.

Cottage Comfort

Selah Middle School, Ms. Martins 7th Grade, Advisory Class

Students used their funding to create beautiful handmade blankets for Cottage in the Meadow Hospice Center. While making the blankets students learned about Cottage in the Meadow and the purpose of hospice care. As well having a better understanding about end of life care, and how the blankets they were creating was supporting the residences of the center.
