# Re-opening Limited RFP

---

Two categories identified by the BOCC as important services were not filled in this RFP:

- 1. 24-Hour low-barrier drop-in shelter for single adults with no medical issues in the City of Yakima**
- 2. Lower Valley extreme winter weather drop-in shelter**

A limited RFP will be reopened in the future for these projects.

# ESG-CV Grant

---

Yakima County was awarded \$699,874 by the State for shelter, outreach, and prevention.

Grant will be used to fully fund all shelter and outreach RFP applications, and provide prevention dollars in anticipation of the moratorium on evictions being lifted.

# Shelter Grant

---

Yakima County is applying for funds from the State for the development of new shelter beds. This grant opportunity includes resources for sanctioned encampment.

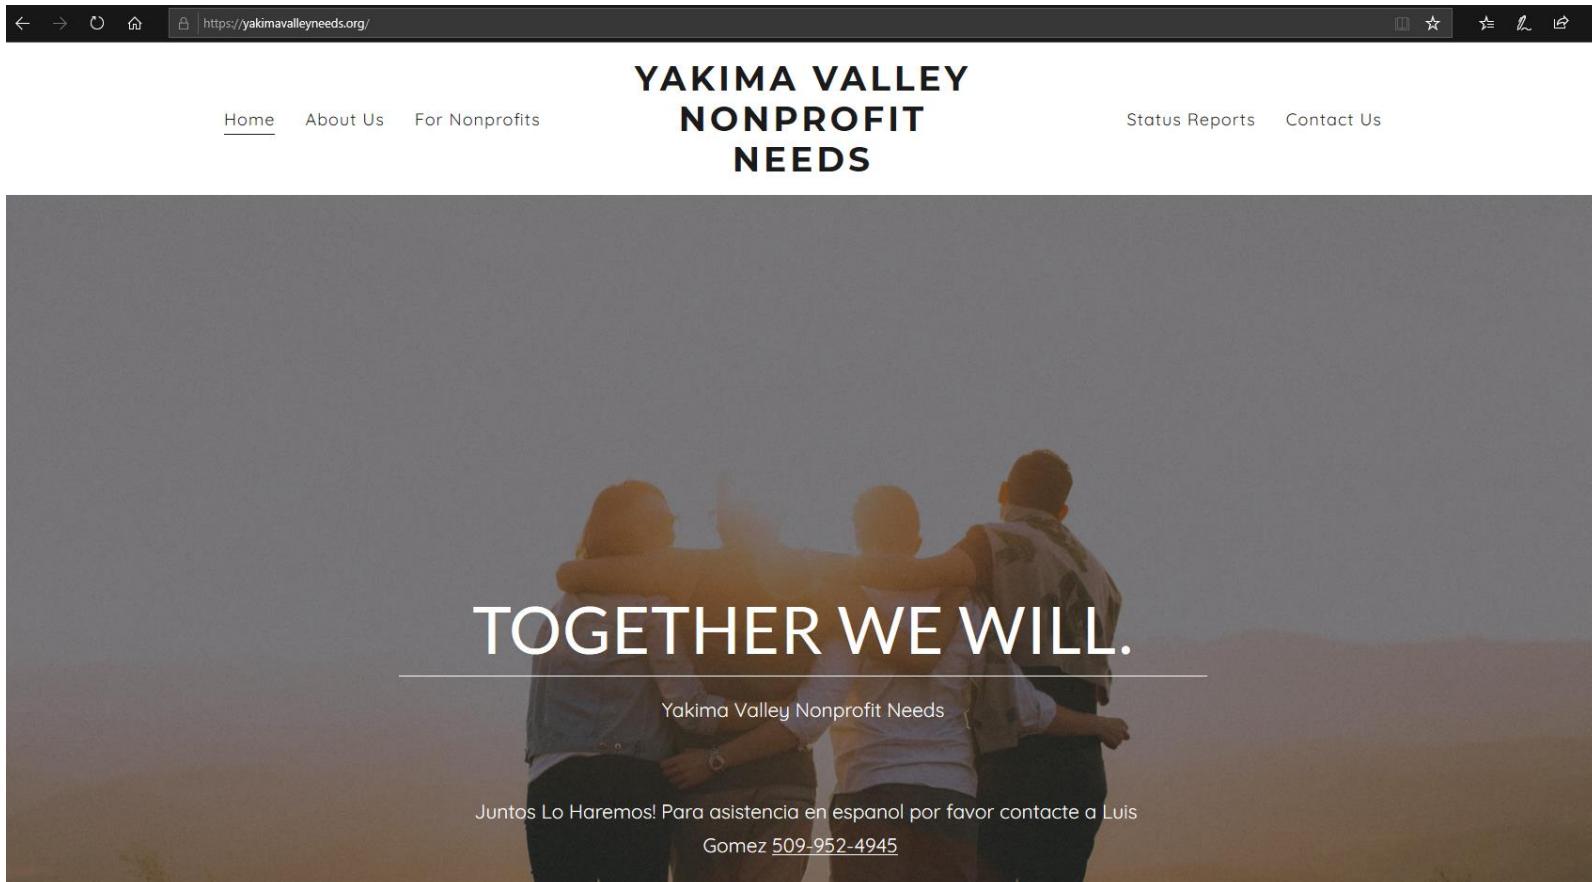

At this time, plans are being made to increase shelter capacity at Noah's Ark, UGM, and Camp Hope, with consideration for Village of Hope.

The Human Services Department will consider including any shelter proposals brought by the end of the week. Contact us at: [HumanServices@co.yakima.wa.us](mailto:HumanServices@co.yakima.wa.us)
