

## A MESSAGE FROM YOUR COUNTY ASSESSOR

I am pleased to share this information with you, the property owners of Yakima County, again this year. Our intention is that you will find this Annual Department of Property Assessment Report informative and helpful. If there is any information that you would like to have included that is not currently here, please bring it to our attention and we will do our best to have it included.

Sales prices of homes in Yakima County were significantly higher in 2021 than they were in 2019 or 2020. The average selling price of a home on January 1, 2018 was **\$194,000**. Only 36 months later, December 31, 2020 the average selling price of a single-family residence was in excess of **\$280,000**. Whether it is an aspect of the overall economy, or whether people are simply attracted to this area, sales prices on all types of property have continued to increase dramatically.

**Depending on where your property is in the County, the overall taxes on individual properties being collected have gone down from what was being collected in 2020. All totaled, \$249,664,023 in property taxes will be collected for 2021, with over half of that total, some \$146,183,261 dollars, attributable to state and local schools.**

In 2020 the Yakima County Department of Property Assessment appraised and set values on approximately 108,000 real and personal properties. The total value of assessments subject to property tax distribution was \$21,810,078,506, up **approximately \$1.2 Billion Dollars more than in 2020**. Our staff processed over 5,000 Senior Citizen or Disabled Citizen exemption requests and renewal applications, and over 7,500 parcels in the Open Space Agricultural and Timberland programs.

For mapping and assessment information you can access it directly on the Yakima County Mapping system, which is located at <http://www.yakimap.com/> or you can go directly to the Assessor's site at <http://www.yakimacounty.us/Assessor/>.
