## I. Motion

The person making the motion **Your name** (name), through **Your school district's name**, its authorized representative, requests that this court set a show cause hearing in this case and order that **student's name** (name of person responding) personally appear at the hearing.

This court may enter an order of contempt against the person responding if the court finds that the person has failed to comply with order of this court dated **date of the Findings of Fact on Truancy Petition**.  
RCW 28A.225.090

The person making the motion asserts that the person responding had notice of the court order, willfully refused to abide by the court order, has no lawful excuse for failing to obey the court's order, has the ability to comply with the order and is in contempt of this court.

The person making the motion requests that the court issue an order to show cause that directs the person responding to appear before this court and show why an order of contempt should not be issued.
