Whenever a legal holiday falls on a Saturday, the preceding Friday shall be observed as the holiday. Whenever a legal holiday falls on a Sunday, the succeeding Monday shall be observed as the holiday.

Any employee that has been approved for use of an accrued leave when a holiday occurs will not be charged for use of that accrued leave for that day. The employee will receive a day of pay for that holiday and will not have the accrued leave plan charged.

Any employee who is on leave of absence without pay immediately prior to, or following a holiday shall not receive holiday pay.

If a holiday occurs on an employee's scheduled day off, the employee shall be given an alternate day off during the same pay period at the employee's discretion and with the supervisor's approval or the time may be banked in the employee's Alternate Holiday Time Off Plan if eligible. Alternate Holiday Time Off Plan balances may not be eligible for payout upon termination of employment.

A holiday shall not exceed an 8-hour work day unless otherwise indicated in a collective bargaining agreement. Holiday hours are prorated for part-time employees.

Non-exempt employees who are required to work on legal holidays receive:

- Pay at one and one-half times their hourly rate for all hours worked in addition to holiday pay;
- Compensatory time off at time and one half plus holiday pay; or
- A day off within the same pay period in lieu of the legal holiday.
