

RSV/Flu and COVID-19 Statistics 2023-2024

DISCLAIMER: Data for RSV/Flu is provided by MultiCare YVMH, Astria Toppenish Hospital, and Astria Sunnyside Hospital. Because we do not include private provider testing results, this may not be an accurate representation of the total number of cases in our county. COVID-19 Hospitalizations are provided by the Washington Disease Reporting System (WDRS). This report provides only a general guideline of disease trends.
