

## **SERVICES**

### **Individual Employment (IE)**

Placement and follow-up services necessary to help persons obtain and continue integrated employment in the community, in business, or industry.

### **Community Inclusion (CI)**

Services will promote individualized skill development, independent living and community integration for persons' to learn how to actively and independently engage in their local community.

### **Job Foundation**

Engages students with disabilities in targeted employment training, skill building in community, self-advocacy, task management, and social skills. Students exit school with either a job or secondary education plan.

### **School to Work**

Helps students with developmental disabilities find employment before exiting high school. Assessments are made to help students and their team identify the best job match for their skills and interests. The job coach connects the individuals with employment opportunities and supports them through training, job stabilization and future advancement.

## **OUR MISSION**

**We will advocate for individuals with developmental disabilities and their families by promoting high standards in education, training, and community integration services.**
