WHEREAS, RCW 82.14.420 requires that prior to submitting the tax authorization to the voters in a county that provides emergency communication services to a governmental agency pursuant to a contract, the parties to the contract must review and negotiate or affirm the terms of the contract; and

WHEREAS, the Yakima Consortium for Regional Public Safety (YAKCORPS), and all the parties have affirmed the terms of Interlocal Agreement Yakima Consortium for Regional Public Safety as Amended May 2023; and

WHEREAS, YAKCORPS originally voted to request the Yakima County Board of County Commissioners to place a measure on the February 2025 ballot to fix and impose an emergency communications sales and use tax of two-tenths of one percent; and

WHEREAS, additional time was needed to adequately inform the residents of Yakima County about how future emergency communications facilities and systems will be impacted depending on whether the ballot measure passes or fails; and

WHEREAS, YAKCORPS thereupon requested the Yakima County Board of County Commissioners to instead place the measure on the April 2025 ballot to fix and impose an emergency communications sales and use tax of two-tenths of one percent; and
