### Summary

The capital project fund accounts for capital purchases and projects except road construction (which is accounted for in the County Road fund) and capital purchased by funds other than the General Fund. The debt service funds account for payments on the County's general obligation bonds. Debt service is administrated by the staff in the Treasurer's office.

### Current Issues

- Yakima County has seen a rebound in the Hotel/Motel funds that support the annual debt payment of our 2020 GO Bond. The shortfalls were due to the COVID-19 pandemic and the limitations on business and leisure travel. The County will continue to monitor this revenue stream very close so that the General Fund will not be impacted in case the revenues fall short.
- We are also looking at the RV site at State Fair Park to determine the design and cost of upgrading the facility out of the 2020 Capital Bond that was sold in 2020 for fairground improvements.
