## **one 2 one Program**

\*one 2 one is a recreational group for kids (ages 6-21) with special needs. The child must be registered in the program to attend one 2 one activities. Please call Parent to Parent for information.

**\*Teen Club:** Social group for teens (ages 13-21) with special needs. **Must be registered in the one 2 one program.** Please call for information. (Group meet from September to May).

**\*Sibshops:** A support workshop for siblings (ages 6-17) of children with special needs. **Must be registered in Sibshops.** Please call for information. (Program runs from September to May).

**Autism support group (ASD):** For parents/caregivers raising children with Autism; or children who experience social, emotional, communication, and/or behavioral concerns. (Diagnosis not required to attend).

**Valley Parents:** Community socials for parents/caregivers raising children with special needs. (We alternate each month having family vs. parent socials.)

**Forever Parenting Group:** A special one-time meeting to bring together the parents of adults with disabilities, to form a support network and discuss future social and support needs.
