Program Description:

Affordable rents for extremely low-income people are not sufficient to cover the cost of operations and maintenance. This program will help fund some of these costs.

Major Objectives:

- Leverage locally generated resources with State and Federal funding opportunities.
- Increase available low income housing in Yakima County.

Revenue/Expenditure Comments:

RCW 36.22.178 authorized the County Auditor to collect a surcharge for each document recorded, with the proceeds to be used to fund the operations and maintenance of low-income housing projects.
