### Program Description:

The Solid Waste Division of Yakima County Public Works provides an integrated waste management system for a population base of over 235,000 residents and a waste stream of over 350,000 tons per year. The Solid Waste Division is comprised of four program areas: Administration/Planning, Facilities and Landfill Operations, Moderate Risk Waste Operations and Waste Reductions and Recycling Programs.

### Major Objectives:

- Provide an environmentally sound, cost effective and efficient solid waste disposal operation.
- Implementation of the recommendations as approved in the Yakima County Hazardous Waste and Solid Waste Management Plans.
- Continue the public education and information programs for waste reduction and recycling of solid and hazardous waste which includes promoting curbside and drop-off recycling opportunities; yard and wood waste diversion programs; school recycling and technical assistance programs and household hazardous waste collections.
- Expansion of Cheyne Landfill as the future disposal site for municipal solid waste in Yakima County.

### Revenue/Expenditure Comment:

The Solid Waste Division operates as an Enterprise Fund. Revenues are dedicated exclusively to operations of the fund based on fees charged to the ratepayers.

All revenues, with the exception of \$340,000 in grant money from the Department of Ecology, are generated through tip fee for waste disposal.

### Program Description:

The Utility Division of the Public Services Department is responsible for the planning, engineering, and construction of improvements to, and the operation of 29 County owned community water and wastewater systems. The Division is also responsible for the coordination and review of proposed water and sewer systems within unincorporated Yakima County.

### Major Objectives:

- To maintain safe and dependable water for residents within each of our water systems.
- To operate the Buena Wastewater Collection and Treatment System in compliance with the National Pollution Discharge Elimination System (NPDES) permit.
- To coordinate and review for future ownership and operation proposed systems within unincorporated Yakima County.
- To aggressively seek and secure funding sources for future construction.
- To complete construction of a potable water system in the community of Parker.
- To implement the installation of an automated meter reading (AMR) system in the County's water systems, beginning with Terrace Heights.
- To increase supply and storage capacity in the Terrace Heights Water System.
- To rehabilitate the Country Club Water Tower in the Terrace Heights Water System.

---

**Public Works Utility Division (cont.)**

**Revenue/Expenditure Comment:**

Revenue to fund this department is generated through user fees.
