

YAKIMA VALLEY “OPEN AND SAFE PLEDGE”

Local Yakima Valley businesses are committed to creating a clean, safe, and healthy environment for employees, customers, residents, and visitors as we begin to reopen our businesses and organizations following COVID-19 restrictions.

The “Yakima Valley Open and Safe,” initiative is intended to protect public health and restore our local economy under the Safe Start Washington proclamation. This free program is led by the following Yakima Valley Open and Safe Coalition members:

WHY SHOULD BUSINESSES PARTICIPATE?

Studies show that customer confidence regarding health and safety practices aids businesses during economic recovery. Under this pledge, local businesses commit to protecting the health and safety of all employees, volunteers, and patrons to help build that consumer confidence.

WHAT HAPPENS WHEN A BUSINESS SIGNS UP?

Businesses will be listed on the Greater Yakima Chamber of Commerce website, yakima.org, and gain access to valuable resources and marketing tools to promote their pledge and commitment to public health.
